

NBSC Lucknow

NBSC launches Training Resources and Alert Management System (TRAMS)

NBSC has introduced a new feature viz., Training Resources and Alert Management System (TRAMS), which was formally launched on 8 November 2016 by Dr. P. J. Ranjith, Principal. TRAMS will facilitate online access of training resources to the officers nominated for training and it will also generate alerts in the form of SMS/e-mail to all the nominated officers prompting them to submit Pre-Arrival Questionnaire (PAQ) online and thereafter access/download the training resources. As a step towards digitisation, henceforth, all the training resources, such as reading material, presentations and other resources related to training programmes will be made available only online at NBSC website (www.nbsc.in). It is expected that with the introduction of TRAMS, the nominated officers shall be able to peruse the training resources in advance. A step-by-step guide on the use of TRAMS is available on the home page of NBSC website.

The launch was witnessed by DDMS currently attending their Phase-II Orientation Programme at NBSC. Shri S.V. Sardesai, Vice Principal, Faculty Members and staff of NBSC also attended the function.

A few photographs taken on the occasion are attached.
